IMPORTANT NOTICE: All of the information is intended only as a guide to a prospective purchaser and not constitute part of an offer or contract. Any measurements or distances referred to herein are approximate only. Any information contained herein (whether in the text, plans or photographs) is given in good faith but should not be relied upon as being a statement or representation of fact. Should you proceed with the purchase of the property, your solicitor must verify these details. We have not carried out a detailed survey nor tested the services, appliances and specific fittings. In accordance with current legislation we would advise you that the measurements on these particulars are imperial. The formula for conversion to metric is as follows: 1' (one foot) = 30.48cm (centimeters), 1m (one meter) = 3.28' (feet)
